

ONGOING NEEDS LIST

By donating items on our Needs List, you can make our safe house feel like a home. Any number of these Needs List items can be obtained by hosting a Needs Drive in your local community, as a single donation event or on an ongoing basis. Or, the next time you're at the store, just pick up a few extra items to be donated! We do ask that all Needs List items be in NEW or excellent condition (if very gently used).

To get more information on hosting a Needs Drive or to schedule a pickup or drop off of items, please contact our office at 303-433-2712. From the bottom of our H.E.A.R.T., a BIG thank YOU for all of your support!
