

Providing holistic services to women escaping sex trafficking

By donating items on our Needs List, you can make our safe house feel like a home. Any number of these Needs List items can be obtained by hosting a Needs Drive in your local community, as a single donation event or on an ongoing basis. We do ask that all Needs List items be in NEW or excellent condition. Street's Hope is a 501(c)(3) and tax deductible donation receipts are given upon request.
