STREET'S HOPE

Street's Hope provides holistic restorative services to women escaping sex trafficking and the commercial sex industry and nurtures the resilience needed to heal, transform, and thrive.

As advocates, Street's Hope believes that every woman deserves to live with dignity and respect. They work to heal women escaping sex trafficking and the commercial sex industry, empowering them to transform their lives. Street's Hope began this work in 2004 and has continued to grow and develop as an organization over the years, implementing evidence-based holistic services. Now, as the only safe house serving adult women in Colorado, Street's Hope aspires to nurture women trapped in the sex industry and help them transform and thrive. For more information, visit streetshope.org.
